Professional Experience

David is an Assurance Services Partner in MGO's San Francisco Bay Area practice. He has over 19 years of professional experience providing auditing, accounting, tax and consulting services to the private and public sectors. Since joining MGO in 1996, David has worked with numerous cities, counties and special districts. Some of David's recent clients include the City of Oakland, the Counties of Alameda, Contra Costa, San Mateo and Santa Clara, and the San Francisco Bay Area Rapid Transit District. In addition to audits, David performs many consulting and attestation engagements, including compliance and forensic accounting projects.

David is a thought leader in MGO's practice and has a national presence. For MGO, David is on the Technical Standards Group, involved in making decisions and setting policies firm- wide. In 2005, David was asked by Ken Schermann of the Governmental Accounting Standards Board, the body responsible for establishing generally accepted accounting principles for state and local governments, to serve on its Sales and Pledges Task Force. Finally, David is serving his third year as president of the Association of Government Accountants, Silicon Valley Chapter, where he leads the local chapter's charge of educating and developing government professionals in the Silicon Valley area.

Professional Organizations

David also serves as a lead client training specialist for MGO and has facilitated numerous training sessions for clients and accounting associations, such as serving as a guest speaker for the California Society of Municipal Finance Officers, the California State Association of County Auditors, the BDO Seidman Government Industry Group, the Association of Government Accountants, the California Association of Public Retirement Systems and various other groups, such as the Audit Chief's and Accounting and Reporting Managers groups.

David is also a past member of the Government Finance Officers Association's (GFOA) Special Review Committee (SRC) for the Certificate of Achievement for Excellence in Financial Reporting Program. David obtained a Bachelor of Science degree in Business Administration, with a concentration in Accounting from California State University, San Jose.
